Prepare to be scared
Scarefest is an action-packed weekend of adventure for Scouts, Explorers, Guides and Rangers.

On Saturday participants can take part in a range of activities from archery and caving to circus skills and the 3G swing. As night falls, Gilwell Park is transformed; with themed activities, scary mazes, funfair rides, and a spectacular laser and fireworks display.

‘Our group really got on and bonded thanks to the great activities.’

‘Particular activities singled out for praise were circus skills, the cage funfair ride, all the mazes, making a pumpkin carving and the fireworks.’

‘They enjoyed the activities, the theme, and the independence.’

‘The fireworks were absolutely fantastic.’

‘Scary, lots of fun, lots of laughs and screams.’
